Jo Burt | Seven Seeds tour

Evergreen rocker Jo Burt has been as active as ever recently and has pulled together a band of outstanding talents to form The Jo Burt Experience.

Following the successful launch of Jo's latest album Seven Seeds, The Jo Burt Experience have been touring this summer to enthusiastic audiences around the country.

This gig at the Half Moon will be his only London appearance in September and a chance to enjoy a quality band at the top of their game.

Commented Jo "I am absolutely buzzing with the reaction we have been getting this summer. Everyone seems to love the new material combined with some old favourites that we throw in. The band are really tight and everyone is on top form. I can't wait to play the set at the Half Moon.....its gonna rock!"

Band line-up:
